The book is divided into four sections, each of which explores a different aspect of Beijing. The first section, "The Ancient City," takes readers on a journey through the Forbidden City, the Temple of Heaven, and other iconic landmarks of Beijing's past. The second section, "The Modern City," explores the city's rapid development in recent decades, including the construction of the Beijing National Stadium and the Beijing Capital International Airport.

The third section, "The Cultural City," explores Beijing's rich cultural heritage, including its museums, theaters, and art galleries. The fourth section, "The People's City," captures the everyday life of Beijing's residents, from the street vendors to the office workers.

Beijing In The Round is a beautiful and informative book that will appeal to anyone interested in Beijing, China, or travel photography.
