- The **key elements of a great story**
- How to **find and choose the right stories** for your audience
- **Practical techniques for telling stories effectively**
- How to **overcome fear and stage fright**
- **35 compelling stories** that you can use in your own presentations

35 Great Stories for Captivating Your Audience

One of the most valuable features of Bob Hartman's Guide to Storytelling is the collection of 35 great stories. These stories are carefully chosen to illustrate different storytelling techniques and to appeal to a wide range of audiences.

Here is a sample of the stories you will find in the book:

The Story of the Starfish

This classic story teaches the importance of doing small acts of kindness, even when they seem insignificant. It is a powerful reminder that we can make a difference in the world, one person at a time.

The Story of the Two Wolves

This Native American parable explores the internal struggle between good and evil within us all. It is a timeless story that can inspire us to choose the path of compassion and kindness.

The Story of the Elephant and the Rope

This story demonstrates the power of belief and the importance of self-fulfilling prophecies. It is a valuable lesson for anyone who wants to achieve their goals.
