About the author:

Bill Finger was an American comic book writer and artist. He is best known for his work on the Batman character, which he co-created with Bob Kane. Finger wrote many of the early Batman stories, and he is credited with creating many of the character's most iconic villains, including The Joker, Catwoman, and The Penguin.

Finger's work on Batman helped to define the character and set the tone for the many Batman stories that followed. He is considered one of the most important figures in the history of comic books.
