### Review

Fools Make Good Shark Bait is a thrilling adventure novel that will keep you on the edge of your seat from beginning to end. CJ is a relatable and likeable protagonist, and her struggle to survive on the island is both inspiring and terrifying. The criminals are equally well-developed, and their relentless pursuit of CJ adds to the suspense of the story.

The writing is sharp and the pacing is perfect. The novel is full of action and adventure, but it also takes the time to explore CJ's inner thoughts and feelings. This makes for a well-rounded and satisfying read.

Overall, Fools Make Good Shark Bait is a highly recommended read for fans of adventure, survival, and thriller novels.
