In her powerful and inspiring memoir, *Forgiveness Is Free: It Saved My Life*, Susan Smith tells the story of how she found the strength to forgive the unforgivable.

After being brutally attacked and left for dead, Susan had every reason to hate her attacker. But instead of letting her anger and bitterness consume her, she chose to forgive him.

Susan's journey of forgiveness was not easy. It took years of hard work and self-reflection. But in the end, she found that forgiveness was the key to her healing and recovery.

In *Forgiveness Is Free*, Susan shares her story in the hopes that it will inspire others to find the strength to forgive. She shows that forgiveness is

not about condoning wrongs or forgetting the past. It is about letting go of the pain and anger that hold us back from living our lives to the fullest.

If you are struggling with forgiveness, or if you simply want to learn more about the transformative power of letting go, then *Forgiveness Is Free* is a must-read.
