In "From Soul to Hip Hop", renowned music scholar Dr. Jane Smith takes readers on a comprehensive journey through the origins, evolution, and cultural impact of these two iconic genres.

Drawing on extensive research and interviews with key figures in the music industry, Smith provides an in-depth analysis of the musical, social, and historical factors that have shaped soul and hip hop.

This book is a must-read for anyone interested in popular music, American culture, or the history of music.
