## Fourth Edition

Great Britain and the Irish Question 1774-1923 is a comprehensive account of the complex relationship between Great Britain and Ireland. The book covers a wide range of topics, including the political, economic, and social factors that have shaped the relationship between the two countries. This fourth edition has been revised and updated to include the latest scholarship on the subject.

The Irish Question has been a source of conflict and tension between Great Britain and Ireland for centuries. The book provides a thorough overview of the history of the Irish Question, from the early days of British rule in Ireland to the present day. The book also examines the different perspectives on the Irish Question, from the British perspective to the Irish perspective.

Great Britain and the Irish Question 1774-1923 is an essential resource for anyone who wants to understand the complex relationship between Great Britain and Ireland. The book is well-written and well-researched, and it provides a comprehensive overview of the Irish Question.
