Pike Logan, the former Secret Service agent turned private investigator, is back in action in the latest installment of Brad Thor's bestselling series. This time, Pike is hired to find a missing woman, but the case quickly turns deadly.

The woman, Dr. Emily Carter, is a brilliant scientist who has developed a new technology that could revolutionize the world. When she disappears, Pike is hired to find her and bring her back safely. But as Pike investigates, he discovers that there are powerful forces at work who will stop at nothing to get their hands on Emily's technology.

Pike is soon caught in a deadly game of cat and mouse, as he races against time to find Emily and stop those who are after her. Along the way,

he uncovers a web of corruption and deceit that reaches the highest levels of power.

Gut Instinct is a fast-paced, action-packed thriller that will keep you on the edge of your seat from beginning to end. Brad Thor is a master of the genre, and his latest novel is sure to please fans of his previous work, as well as newcomers to the series.
