Authored by American homeschooling expert Ray Notgrass, this comprehensive guidebook offers parents a wealth of practical strategies and actionable advice to ensure their high school homeschoolers are well-prepared for the rigors of higher education.

From curriculum selection and transcript organization to standardized testing and college admissions, the book covers every aspect of preparing your child for college success.

**

Key Features of the 2nd Edition

The second edition of **Homeschooling High School with College in Mind** has been thoroughly updated and expanded to include:

- **College Selection and Admissions:** In-depth guidance on researching colleges, understanding admission requirements, and crafting compelling application materials.
- **Curriculum and Recordkeeping:** Comprehensive curriculum recommendations aligned with college entrance requirements and strategies for maintaining accurate transcripts.
- **Testing and Preparation:** Detailed advice on standardized testing, including SAT/ACT prep, subject tests, and specialized exams.
- **Financial Planning and Scholarships:** A thorough examination of financial aid options, including scholarships, grants, and student loans.
- **Dual Enrollment and Early College Programs:** Information on academic programs that allow high school students to earn college

credit simultaneously.

- **Homeschooling Legal and Policy Issues:** A helpful overview of legal requirements and best practices for homeschooling high school students.

Personalized Education with a Proven Track Record

Homeschooling high school students with college in mind requires a carefully planned and executed approach. **Homeschooling High School with College in Mind 2nd Edition** provides parents with the tools and guidance they need to:

- **Set Clear Academic Goals:** Define their child's educational objectives and align their homeschooling plan accordingly.
- **Choose the Right Curriculum:** Select rigorous and engaging academic programs that meet college entrance requirements.
- **Foster Critical Thinking and Problem-Solving Skills:** Encourage independent learning and develop their child's ability to analyze, synthesize, and apply knowledge.
- **Prepare for Standardized Tests:** Provide ample opportunities for test preparation and practice to ensure their child performs well on the SAT/ACT and other standardized exams.
- **Build a Strong Academic Transcript:** Maintain accurate and detailed records of their child's coursework, grades, and extracurricular activities.

Empowering Parents and Students

With its wealth of expert guidance and practical advice, **Homeschooling High School with College in Mind 2nd Edition** empowers parents to make informed decisions about their child's education and provides students with the tools and support they need to succeed in college and beyond.

Testimonials

"I highly recommend this book to any family considering homeschooling their high schooler with college in mind. It's a goldmine of information and guidance." - **Sarah Miller, Homeschooling Mom of 3**

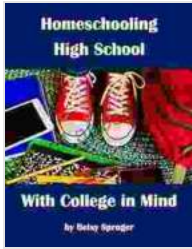

"This book helped me develop a clear plan for my son's high school education and prepare him for the transition to college. It's a must-have for homeschooling parents." - **John Smith, Homeschooling Dad of 1**

Homeschooling High School with College in Mind 2nd Edition is an invaluable resource for parents who want to provide their high school students with a personalized and rigorous education that will prepare them for success in college and beyond. With its expert guidance, practical strategies, and inspiring testimonials, this book will empower parents and empower students to achieve their full academic potential.
