In Search of Power is a journey to the heart of the American Dream. It is a story of ambition, success, and the price we pay for both.

From the halls of Congress to the boardrooms of Wall Street, from the factories of the Midwest to the farms of the South, Larry Tye tells the story of the men and women who have sought power in America and the ways in which it has shaped their lives and the course of our nation.

In Search of Power is a deeply reported and richly written account of the American Dream. It is a must-read for anyone who wants to understand the forces that have shaped our country and the choices we face today.

Praise for In Search of Power

"A tour de force. Tye has written the definitive book on power in America."
