

Recursion: A Time-Bending Thriller that Explores the Perils of Changing the Past

In Blake Crouch's mind-bending novel *Recursion*, NYPD detective Barry Sutton finds himself thrust into a world where time is fluid and the past can be altered. As he investigates the mysterious deaths of three people who all died by suicide, Sutton discovers that they were all connected to a mysterious woman named Helena Smith.

Smith, it turns out, is a brilliant scientist who has invented a device that can send people back in time. But as Sutton delves deeper into the case, he learns that there are dangerous consequences to changing the past. The timeline is fragile, and even the smallest alteration can have ripple effects that can change the present in unexpected ways.

As Sutton races against time to stop Smith, he must confront his own past and the choices he has made. He must also learn to navigate the

treacherous waters of time travel, where the past and present are constantly in flux.

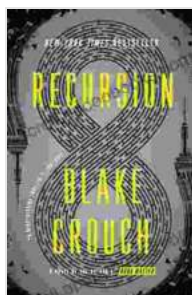

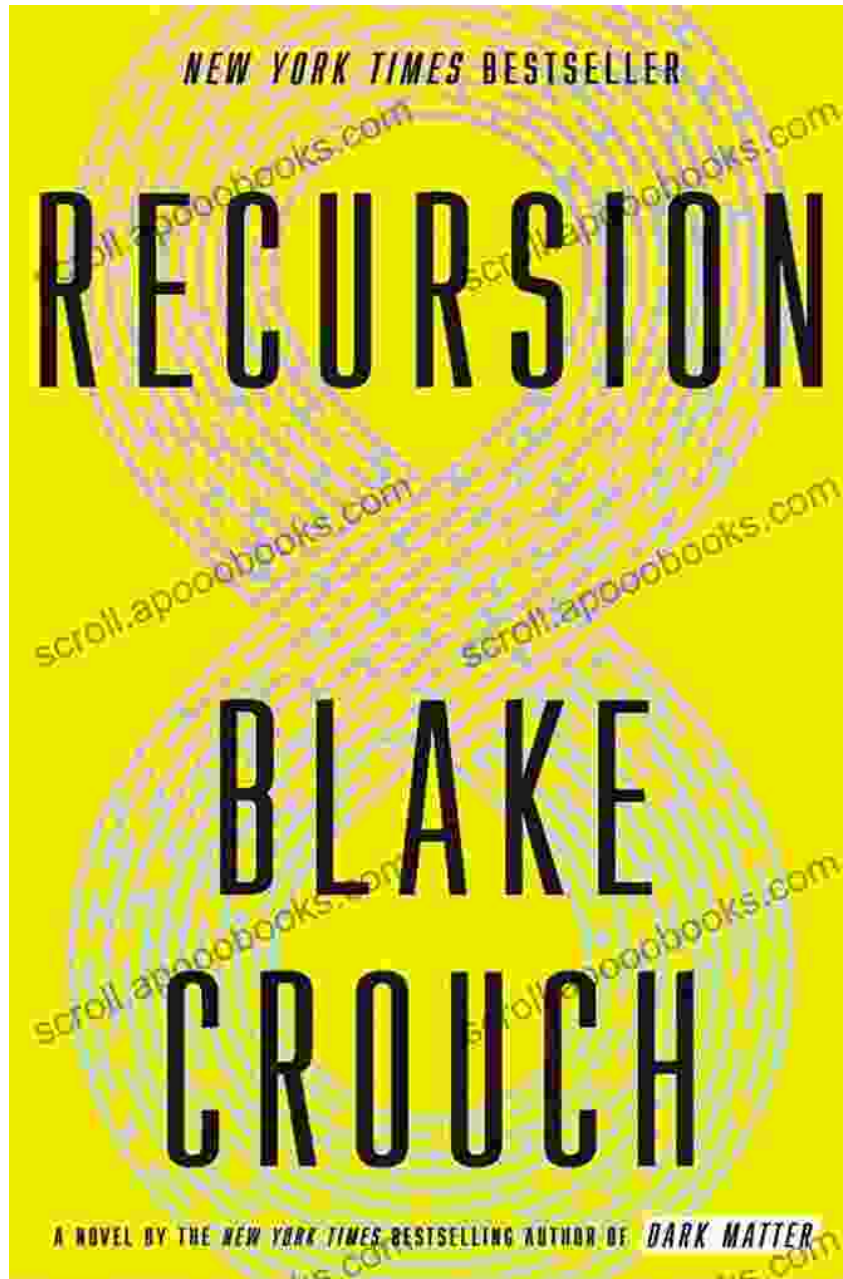

Recursion is a gripping thriller that explores the complex nature of time and the butterfly effect. It is a story that will stay with readers long after they finish the last page.

Here are some key quotes from Recursion:

- "Time is not a river. It's an ocean. And we are all just boats floating on its surface." - Blake Crouch
- "The past is not set in stone. It is a malleable thing, capable of being changed, reshaped, and rewritten." - Blake Crouch
- "The choices we make in the past have the power to shape our future. But they also have the power to destroy it." - Blake Crouch

If you are a fan of time-bending thrillers, then you will love Recursion. It is a must-read for anyone who is interested in the nature of time and the consequences of changing the past.

Recursion is available now in hardcover, paperback, and e-book.
