Through a stunning collection of historical photographs, this book transports readers into the world of Steinway & Sons. From the humble beginnings in a German immigrant's workshop to the rise of a global empire, the book traces the company's fascinating journey. Rare and captivating images offer an intimate glimpse into the meticulous craftsmanship that goes into each Steinway piano, from the selection of the finest woods to the delicate voicing of the strings.

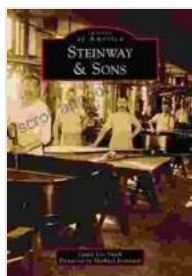

Steinway Sons: Images of America also delves into the rich history behind these iconic instruments. Readers will encounter the legendary musicians who have played Steinway pianos, including Franz Liszt, Sergei Rachmaninoff, and Vladimir Horowitz. They will discover the role Steinway & Sons has played in shaping American musical culture, from the gilded age of Carnegie Hall to the vibrant jazz clubs of New Orleans.

More than just a coffee table book, Steinway Sons: Images of America is a treasure trove of insights and anecdotes that will captivate readers of all ages. Whether you are a seasoned music aficionado or simply appreciate the beauty of fine craftsmanship, this book is a must-have for your collection.
