

Taiwan Security and Crisis Management: An Essential Guide for the 21st Century

About the Book

Taiwan Security and Crisis Management is a comprehensive guide to the security challenges and crisis management strategies facing Taiwan in the 21st century. Written by leading experts in the field, this book provides an in-depth analysis of Taiwan's strategic environment, military capabilities, and potential crisis scenarios. It also offers a detailed examination of Taiwan's crisis management mechanisms and offers recommendations for how to improve these mechanisms in the future.
